- Both parties shall be prepared at all times to justify the price and other terms of the bargain and the genuineness thereof with the Committee.

7.08 SPECIAL BARGAINS

A special bargain is a transaction in securities which is beyond the capacity of the market at the prevailing price. Transactions in special bargains may be put through at such price as is agreed to by both the purchasing and the selling client. Details of special bargains shall be marked and reported to the Secretary of the Exchange.

In order to establish that a special bargain is beyond the capacity of the market at the prevailing price, the following procedure will be carried out at the daily call and at no other time. It is thereafter the responsibility of the broker or brokers concerned to ensure that the bargain is marked as a special bargain and inform the Secretary in writing of all the details.

In the event of the market being able at the call either to bid a higher price or offer at a lower price the same quantity of shares involved in the special bargain the proposed transaction shall not go through. 11.03 APPOINTMENT AND POWERS OF INVESTIGATING SUB-COMMITTEE:

In all cases of default the Committee shall meet and appoint a Sub-Committee of not less than two (2) members of the Committee. Such Sub-Committee shall have the following powers: To obtain from the defaulter his original books of account and a statement of the sums owing to and by him in connection with Exchange transactions; to call meetings of member creditors; to summon the defaulter before such meeting; to enter into a strict examination of every account; to report to the Committee any matter which may appear irregular; and to manage and deal with the Exchange estate in conformity with the Rules, and usage of the Exchange.

The Sub-Committee shall cause a notice to be placed on the notice boards calling on all members interested in the estate to file their claims by a certain fixed date.

11.04 DISCLOSURE OF CLIENTS' NAMES

No defaulter shall be re-admitted who shall not, if required by the Committee, disclose the name of any client indebted to him or shall not have delivered to the Sub-Committee appointed to administer his Exchange estate, his original books of account and a statement of the sums owing to and by him in the Exchange at the time of his default.

11.05 CLAIMS ON DEFAULTER

All claims from members on the Exchange estate shall be supported by advice notes from the defaulter or advice notes from the claimant. All such advice notes shall be signed by a person authorised to sign in terms of these rules.

No loan without reasonable security shall be admitted as a claim against the Exchange estate. Should any member receive payment of his unsecured loan on the day of the default he shall refund the amount so received for the benefit of the defaulter's Exchange estate.

The Committee may accept such evidence as they deem sufficient as proof of claims arising in whatever way against the Exchange estate.

Any amounts due by the defaulter to the Exchange shall be a first charge against the Exchange estate of the defaulter.

11.06 ASSIGNMENT OF CLAIMS

A member, being a creditor upon a defaulter's Exchange estate, shall not sell, cede, assign or pledge his claim on such estate to a non-member without the concurrence in writing of the Committee.

11.07 PRICE FIXING OF OPEN TRANSACTIONS

In every case of default the Sub-Committee shall publicly fix the prices current in the market immediately before the declaration, at which prices all members having accounts open with the defaulter shall close their transactions, the difference arising from the defaulter's transactions being paid to or claimed from the estate.

Transactions in unquoted securities and unexpired options shall be similarly closed at a price determined by the Sub-Committee having regard to prices at which the last business was done on any other stock exchange or off the floor of the Exchange.

The Exchange shall not be responsible for any losses incurred as a result of price fluctuations after the date of default.

11.08 DISHONoured CHEQUES

Claims in respect of dishonoured cheques may, provided they otherwise comply with these rules, be admitted in a defaulter's Exchange estate if such cheques are dishonoured on the day of default or within a reasonable time thereafter.

11.09 LOANS OF SECURITIES

Securities lent to or borrowed by a defaulter and loans of money made upon security or securities shall be treated as Exchange transactions and prices fixed in accordance.

11.10 LEGAL ENFORCEMENT OF CLAIMS

A member shall not attempt to enforce by law a claim arising out of an Exchange transaction against a defaulter or the client of a defaulter without the prior written consent of the Committee.

11.11 MANAGEMENT OF DEFAULTER'S ESTATE

The Sub-Committee shall collect and pay the assets of the Exchange estate of the defaulter into such bank account and in such names as the Committee shall direct. The net proceeds of the collections after payment thereof of all legal and other expenses (including any amounts owing to the Exchange) shall be distributed as soon as possible amongst the member creditors on the admitted claims but without interest.

Any surplus remaining after all member creditors have been paid in full shall be returned to the defaulter.

11.12 RE-ADMISSION OF DEFAULTER

The Committee may re-admit any defaulter.

The question of such re-admission shall be considered in two distinct classes:-

- (i) Cases of failure arising from the default of clients or from other circumstances where no bad faith or breach of the Rules and usage of the Exchange has been practised, and
