TO: ALL CLEAR EXPANSION COMMITTEE CHAIRMEN  
ALL ORGS

FLAG EXPANSION COMMITTEE

CLEAR EXPANSION COMMITTEE CHAIRMAN:

DRIVING IN VOLUME PUBLIC

PROJECT ORDERS

PROJECT INFORMATION:

With the Golden Age of Tech, the gates are now wide open to make anyone a perfect auditor and to move him up The Bridge to fully trained OT. Rave wins and successes pour in daily from public who are availing themselves of the advances of the Golden Age of Tech. Factually, it is simple for any being to secure his own eternity. The only requirement? That he get onto service!

There are still THOUSANDS of off-lines Scientologists who are not briefed on the Golden Age of Tech.

There are still billions of people on this planet who have not started their first service on The Bridge.

As LRH states in HCO PL 27 DEC 63, THE "MAGIC" OF GOOD MANAGEMENT:

..."The manager's first job is not to 'run an organization' but to see that bodies move through the shop and build an organization to care for them and then to keep bodies moving through the shop and increase the body volume."

You have a powerful resource to drive in public--your Clear Expansion Committee. If properly formed up and gotten into production, the clearing of your area can be greatly accelerated.

In LRH ED 326 Int, 1981/82 BIRTHDAY GAME, LRH states the following:

"If each Scientologist contacted one person each month and got him active on the ROAD TO TOTAL FREEDOM, and each of these people did the same, within twelve months this would add up to over FOUR BILLION SCIENTOLOGISTS!"

Do your part to make this happen!

CEC CHAIRMAN

2. If any target gets bugged, use HCO PL 23 Aug 79R II, DEBUG TECH CHECKLIST to get it debugged.

CEC CHAIRMAN

3. Use standard LRH policy on running a third dynamic to keep your Clear Expansion Committee productive and expanding.

CEC CHAIRMAN

4. Use all on-policy means to drive in public.

CEC CHAIRMAN

5. As you discover highly successful ways to drive in public, get these actions strengthened.

CEC CHAIRMAN

CEC CHAIRMAN

CEC CHAIRMAN

- F. Have all Clear Expansion Committee members read their Project Orders.

CEC CHAIRMAN

- G. Get teams formed up:

--Teams to recover public (e.g., by going out to the homes of off-lines public, knocking on their door, getting them briefed and into the org for the Golden Age of Tech video; by visiting Scientology businesses and getting all employees onto service; etc.)

--Teams to drive in new public (e.g., bookselling teams; teams to body route or hand out promo; field auditing groups; etc.)

- H. Set quotas for the number of public to be recovered onto service, and the number of new public to be gotten onto their first service. Get these broken down to individual quotas for each Clear Expansion Committee member.

CEC CHAIRMAN

CEC CHAIRMAN

7. Send any great wins or news of Clear Expansion Committee members to the Field Control Aide FB via the A/Field Control Aide of your continent.

CEC CHAIRMAN

8. Get more Clear Expansion Committee and OT Committee members recruited by running a campaign to get the existing members to each recruit one more member.

CEC CHAIRMAN

9. Generate an org-wide campaign to activate on-lines public as members of the Clear Expansion Committee and get more members as a result. Make this a campaign to include the public--ANYONE can contribute as a Clear Expansion Committee member in some capacity to help forward the

purpose of driving in public (Ref: HCO PL 14 Dec 70, GROUP SANITY, which states: "Letting people INTO the group at large is the key to every great movement and bettered culture on this planet." ... "The org which excludes its own field members will fail.")--LRH
